Illinois District House of Delegates
Re: Music and Performance Report

Members,

On February 14th and 15th, 2020 we will be holding Harmony College Midwest (formerly known as IDAH) in Bloomington at the Doubletree Hotel. Registration is currently available on the District website. The early bird price is good through Sunday of the Fall Convention. After that time the price will increase. Tim Beutel and Dan Wessler have been working hard to make this the best school ever! They are still finalizing the schedule at the writing of this report. This event is made possible, in part, by financial support from IDEA.

The Illinois District Senior Chorus will be trying to qualify to compete at the Midwinter Convention in Jacksonville, Florida. We currently have about 60 men in chorus but would love to see more join us in Florida. If you are interested please send an email to illseniorchorus@gmail.com. The members of that chorus have been selling raffle tickets to help defray some of the expense of the trip.

Respectfully submitted,
Terry Ludwig, VP Music and Performance
