Gentlemen,

Firstly, I hope this report finds you all well. It is a strange time for the world in general and the Illinois District in particular. Hopefully we will be able to get back to “normal” sometime in the near future.

In February we held the first ever Harmony College Midwest with Dan Wessler and Tim Beutel at the helm. Dan and Tim took the bones of what was IDAH and rebranded it to HCMW. They also overhauled the class offerings and coaching schedule. According to everyone in attendance it was a great success! Dan and Tim will be back for a 2 nd year with HCMW and they are looking at dates in February again if circumstances allow. If not, it will be postponed until later in the year.

On behalf of Dan, Tim and myself we would like to thank the Illinois District and IDEA for their financial support of HCMW. Without their support the event would not have been as successful.

On a personal note, I would like to thank all the members of the Illinois District for their support over the time I have been the Music and Performance VP. I cherish every minute of my time in this position, I look forward to serving the District in other ways over the next few years.

Yours in harmony  
Terry Ludwig
