

Frank Thorne Award

At the fall District convention of 2009, the HOD approved the re-kindling of the Frank Thorne Award.

Briefly, this award is given to the chapter that has the greatest percentage of its membership registered for a convention. Thus far the award has been accepted very well and chapters are all aware of it and work towards winning it.

Originally, the award had a monetary incentive which was removed for various reasons. I firmly believe that in our efforts to increase attendance at conventions it should now be re-instated. Therefore I move as follow:

From the Spring convention 2013 forward, the chapter who is the winner of the Frank Thorne Award be given a 50% discount on Convention registrations for an equal number of chapter member registrations for the next consecutive convention. Further, the winning chapter MUST use the discounted registrations at the next consecutive convention and may not be carried over beyond. The discounted registrations must be for members of the winning chapter only.
