II. Society Report – Ed Watson

Thanks for everything from the weekend and allowing me to emcee the chorus contest. There is a report from Noah Funderburg, Society President so make sure you read that. There is a lot going on at the society office with the move to Nashville, the computer upgrade, and changes to the society website. There are new building updates on the society website so be sure to look at those. We get the keys to the new building on 8/1/07 and we move in on 8/24/07. The society employees are in the process of moving themselves. If you haven't noticed, the age of the music staff is getting lower, and that's a good thing. The entire staff is really coming along nicely and they are getting to know each other.

The Denver convention is coming up and the registrations are up about 1000 from last year. Make sure to support your district representative. Jay G. added that the best support for competitors comes from the district level.

Aptify is coming online. This is a database engine and is a change in the computer system. There will be lots of changes in the next 2 months with this.

The board is focusing in a different direction. We want to make this a FUN hobby again. We all need to take the message back to everyone that we are barbershoppers, and proud of it! We'd like to focus on getting music out, especially for YIH. The society is here to help chapters move forward. Let's help directors become good leaders. There is the thought of trying to make COTS into a leadership academy. Call chapters that aren't here at the convention and help them get back on track

Ed W. would like to sing a tag with everyone in the society and got a little closer when he sang with those in attendance. Then Bob C. thanked him for coming.

III. District President's Report

It is very important to communicate the focus of the district over the next 2 years.

1. Inclusion. Let's make an attempt to make coaching affordable and available for chapters and quartets. On 4/1/07, there was a conference call for chapter presidents and there will be more on 6/24/07 and 12/16/07. We have golf outings planned on 6/6/07 in the North, 7/14/07 in the South, and 8/15/07 in the Central with a town hall meeting afterwards. The upcoming goal is to reduce the actual or implied division between the north and south parts of the district.
2. Membership. This is a year long activity; constantly ongoing.
3. Let's help regain trust between the district board and the chapter leadership.
4. Let's attempt to communicate the drive for participation. Apathy leads to demise on the chapter, district, and society levels. It's all about participation. I'm excited about what we can accomplish.

IV. Consent Calendar Reports

Jim G. and Syl W. opted off the consent agenda. **Motion was made** to approve the consent calendar. It was seconded and passed unanimously.

Motion was made to approve the minutes of the previous meeting. It was seconded and passed unanimously.

A. Jim Graham – IDEA

Motion was made to approve Bob Cearnal as a trustee. It was seconded and passed unanimously. \$300 was received from a raffle from the West Towns Chorus. The fund is doing well. **Motion was made** to approve \$750 from IDEA to YIH to be used evenly between the 3 festivals. It was seconded and passed unanimously. The 2006 books were audited by Nick Caccamo.

B. Syl Wetle – Awards

There were and still will be changes in the show program for the contest and changes in the awards. We are recommending the creation of a "Most Entertaining" chorus award. People outside the society can judge also to get all points of view. This will be the responsibility of the Awards committee. Pins are in the process of being created for the top 5 chorus finishers.

V. Old Business

A. Treasurer's Report – Dave Cowin

He handed out 2 years of reports; a complete report through 2006 and a report to date as of the print date. Money comes in from dues and conventions. The 2007 report includes the budget report.

Phil R. asked about finding Dave's replacement as treasurer since he is also the EVP. Phil would like to meet with any potential candidates. Some possibilities are Earl Holtz or Nick Caccamo. Work is being done to arrange consistent audits on our records. As a note, no district funds are going to the golf outings.

B. Update on District Historical Material – Squires / Rolfs

We have some prior contest recordings and would like to transfer them to more modern media. There is a want ad on the district website for this. Contact Bob S. if you have any historical data, information, or documents from the district. We are in the process of fixing much of the historical information.

C. YIH Festivals Update – Rich Hansen

We've enjoyed the cooperation of the Sweet Adelines, they add much to our festivals. We have 3 coming up; 10/22/07 in Coles County, 10/25/07 in Bloomington, and 10/27/07 in Fox Lake. Buzz Haeger has made a generous donation to bring in Men In Black for all 3 festivals. They are the 2005 International Collegiate champions and current international competitors. These are more than just high school festivals, come to one!

D. Harmony Foundation – Bill Ward

There are many requirements when seeking grants. The organization must be in good standing. We were dissolved for lack of paying the reinstatement fee. Much work has been done and we are back in good standing. Tim P. is the registered agent. We must also come up with a vision and mission statement. Bill W. has a proposal. We should also fund everything through the district treasurer so the budget shows as such. The grants come from the Illinois Arts Council. The Elgin chapter has worked on this in the past and has received money in the last 3 years.

Motion was made to review the mission and vision statement as proposed by Bill Ward.

The **motion was then amended** to accept the proposed mission and vision statement as proposed with the fact that it will still be on review. A proposal will be due by the HOD meeting in the Fall of 2007. It was seconded and passed unanimously.

The Ambassador's of Song would love to come to chapters to talk about the monthly program outlined in Bill's handouts. A wine and cheese Harmony Foundation has been established and we would like to include IDEA also. Jim Debusman is arriving to hold town meetings. He will be at the South Cook meeting on May 22, the Chicago Metro meeting on May 23, and the Sterling/Rock Falls meeting on May 24. Mike O'Neil will also be visiting on May 3-4 in the central. Watch the website for more information.

E. Membership – Greg Grey

Greg would finally like to formally suspend the Galesburg chapter. **Motion was made** to suspend the Galesburg charter. It was seconded and passed unanimously.

V. New Business

A. 100% Club in 2007 – Grey

79 Man of Note awards were good this past year, but it could be better. Keep plugging away at recruiting. I handed out some recruiting DVDs to take to your local membership vp.

B. CSLT – Phil Rolfs

I'm trying to put this back in place with different ways of communication. There is no activity on the website. This is still a work in progress.

C. 2008 COTS (Nov. 10th) – Phil Rolfs

2007 was our own design and 2008 is not funded by the society because of the move of the headquarters. I would like Syl W. to help coordinate the event this year and possibly join with CSD. The ILT setup is ongoing, possibly in Peoria and a facility is being sought after.

D. Host Chapter to Convention by Committee – Assessment of first Convention under the Convention by Committee - Thorndike / Rolfs

We should commend Will T. and Al Q. for getting this committee underway. Thanks to the Sterling/Rock Falls chapter for stepping up and helping. This is a much larger job than anticipated. There was no Harmony Marketplace this time. We are looking at a chapter to possibly take on the Harmony Marketplace. There were 8 individuals that worked very hard on risers. Escorts were hard to come by, but the other jobs were doled out. We would accept chapter help.

Society approved dates for conventions:

	Sept. 28-30, 2007
Apr. 11-13, 2008	Sept. 26-28, 2008
Apr. 17-19, 2009	Sept. 25-27, 2009
Apr. 16-18, 2010	Sept. 24-26, 2010

Thanks to the Carbondale chapter for returning to the convention and bringing 3 quartets

Wayne W. read the draw for the fall convention chorus contest.

Congratulations to Al Q. for winning the ABE award!

E. Festival Chorus – Wayne Wright

This year the mic testing chorus was the Brat Bash chorus and it was very good. We are looking to form a festival chorus and are coming up with ideas for the concept.

F. 2008 IDAH – Bob Squires / Tim Pashon

We had 28 students in 2007, but even with a low enrollment, it was very successful. We would love to have more people take advantage of this event. The Bureau County chapter is a success story and they were very surprised that no chorus came to take advantage of this wonderful staff. We are still working on the staff for 2008 and it will be the second weekend of February, 2008.

VI. “Open Mike”- At this time Delegates / Presidents may address the assembled HOD attendees or ask Board Members / Society Representative questions. Two minutes will be allotted to each speaker with the District President having the ability to extend time if he so decides.

There was much discussion on the weekend. In general, it was a great first shot with the new format.

VII. Resolutions – Craig Rigg

What a blessing from Mr. Rigg once again.

VIII. Adjournment – Bob C. directed “Keep the Whole World Singing”

Motion was made to adjourn, seconded and passed unanimously.
Time of adjournment, 11:35am.

TOUCH A HEART

As an Ambassador of Song, you help spread the joy of close harmony to new singers and listeners. Your donation to Harmony Foundation International expands the community impact of Barbershop Harmony Society programs: youth camps and festivals, director and quartet scholarships, chorus development and marketing. Bottom line, you help grow and prosper the art and inspiration of a cappella singing in your community right now.

You do a whole lot of good for only a few dollars a month.

The Barbershop Harmony Society partners with schools, colleges and community music organizations to ensure the enrichment of singing continues forever. Through fun and educational events, young and old alike learn and perform the extremely rewarding close harmonies of singing with an a cappella group. Without this kind of investment from the private sector, the simple fun and enrichment of singing may well disappear from the fabric of our personal and community life.

JOIN US IN SHARING

Join Us in Sharing the Power of Song with Everybody!

HARMONY CAMPS

Our youth camps create a new generation of a cappella harmony singers and fans. Students find greater strength for their voices, their friendships and their souls. Many of them carry their fervor into the school year, singing in their school chorus, or creating their own quartets!

YOUTH FESTIVALS

An all-day immersion in singing, our festivals tap the hunger of the young to be good at a "good" thing. Once introduced, they can't get enough. Our festivals and clinics turn this healthy interest into a lifetime of enrichment.

DIRECTORS COLLEGE

Every year our intensive 7-day training creates newly skilled chorus directors with the power to lead their schools or choruses to greater and more singing! Our extensive scholarship program opens the college to directors of all backgrounds.

MARKETING

The best choruses and quartets in the world perform on our stages. Opportunities for leadership training and lifetime friendships are the best kept secret in town. We simply must advertise the Barbershop Harmony Society more widely, generating new members and fans for this most life-enriching cause.

Join the Ambassadors of Song today!

WE BELIEVE THE WORLD IS A BETTER PLACE WHEN THERE IS SINGING.
IT COMES FROM THE HEART AND SPEAKS TO THE HEART.

Singing brings enjoyment for a lifetime, both to singer and listener. Music elevates our spirit and expresses our emotions.

Singing is fabulous exercise for the respiratory system, enhancing health and vitality through its practice. Performing for others develops self-confidence and poise, and singing together builds character in diplomacy, diligence, and interdependence.

Singing is a wholesome activity and performing for others builds social skills.

Singing can start young people in a lifetime hobby that will give them and others more than they could ever imagine.

Vision and Mission Statement

The Illinois District Association of Chapters of SPEBSQSA Inc. (Legal Name)

Our Vision

The Illinois District of the Barbershop Harmony Society, in alliance with other a cappella organizations worldwide, is committed to enriching lives in every generation and community through the lifelong benefits of a cappella harmony singing. A cappella music is one of the most recognizable genres of vocal music in the world, and the Barbershop Art Form is a highly prized element. It is our purpose within this vision to bring the fun and fellowship of our art form to men and audiences of all ages.

The Illinois District choruses and quartets embrace and perform music predominantly in the Barbershop style. The Illinois District chapters focus on a cappella music, while acknowledging the Barbershop Art Form as the root of their existence. Whatever the style, we strive for quality performances.

The Illinois District conventions and meetings incorporate festivals, educational conferences, and trainings. Our educational and training opportunities include directors of the future, current directors, chapter and district leadership, chorus and quartet coaching, competitions, and other events to meet the needs of our diverse membership and their families.

The Illinois District is a major supporter of vocal music education in the State of Illinois and has formed strong partnerships with high school and college choral groups, music educators, and their organizations.

The Illinois District is dedicated to establishing a Culture of Philanthropy where we are more interested in giving of ourselves to create a harmonious society than we are in receiving.

Our Mission

The Illinois District of the Barbershop Harmony Society is dedicated to the following:

- To enrich lives through singing.
- To perpetuate, celebrate, and preserve the unique American art form of Barbershop Harmony.
- To serve each new generation of singers through support of vocal music education.
- To serve audiences through an uplifting, wholesome variety of a cappella musical entertainment.
- To serve our members by sharing fellowship, performance skills, and leadership development.
- To build better communities and a better world, bonding diverse people through the pure fun of a cappella harmony.
- To freely and happily give of our time, our talent, and our treasure to establish a world where "close harmony" in a cappella singing can effectively mirror a true State of Close Harmony in all areas of life.

WOODSHEDDING COMMITTEE REPORT

4/22/07

Since the HOD officially structured the District Woodshedding Operations in the Fall Meeting of '93 many Barber Shop Singers have enjoyed at each subsequent Convention.

I am happy to say that we have always had dedicated Committee members that contribute tremendously of their time and Dollars to make this possible. Fortunately, due to their generosity, even though the Illinois District (with the help of the hotel) supply a complimentary Suite for this operation, the cost to the district (after the hotel rebate) is insignificant. Many attendees at the Conventions stop in, sing and enjoy; at every convention. Woodshedding in the suite is enjoyed by hundreds of singers every year, we even have some Barber Shoppers who attend the convention from other Districts just because of the Woodshedding activities.

Over the years, we have been told by many visitors from various parts of the International Organization, that this is "the finest District Woodshedding Operation in the World." We even had a short course on Woodshedding last year at the Peoria Convention.

Again, woodshedding was available this weekend. We hope that you took advantage of the facilities and enjoyed informal singing.

To Chapter Delegates and all concerned:

Here are some reports from members of the IL District Board. From the secretary, all I would like to report on is the calendar on the district website. Once an event is submitted to that calendar, that submission comes to me for approval. I am more than happy to approve all events but I can't until I receive the BMI form from the chapter. Many chapters are using this resource and I think it is a great way to advertise your show and to show support for other barbershoppers by attending these shows.

Please attend the HOD meeting. A lot of information is shared and many decisions are voted on. The only way to have a vote is to be represented. Plus, you can find out what goes on in the district and report back to your chapter so that the circle of communication is never broken.

Tim Pashon
IL District Secretary

Show of Champions

- Possible performers, chorus and quartets have been contact in anticipation of the show.
- I don't have a back stage manager yet, as J.D.Rich (NT show producer) is on leave. (I will have one soon).
- Show to start after the announcements of the International quartet qualifiers.
- MC for Saturday night needs to prep audience on the SOC. I'd like to start 5-10 Minutes after the announcements.
- Need quartet mics and chorus mics, and solo mics available for chorus MC work and solos.

Chorus Director Development

Planning a Workshop for this summer or fall.

- a. New Tradition may be the host, and may provide chorus, for director work and development.
- b. More to follow on this.

Jay Giallombardo
IL VP CDD

Have been working with Convention Team pertinent to upcoming convention. Had meeting at Civic Center with Events Co-ordinator of the Civic Center, Al Quinn and Will Thorndike. Layed out Program for Printer, and acquired radios for communications network for the convention weekend.

Board Member At Large: Jerry McDonough

IDAHA 2007 was a small success, which included an outstanding staff and TOP GUN coaches. Excellent classroom teachers covering the full spectrum of barbershop topics with the compliment of having a top ten international quartet, "3 Men and a Melody" to highlight our Saturday evening show, which also included our current district champions, "Stolen Bases."

The disappointment was having only 28 students and NO choruses. Having 3 TOP GUN quartets and 13 POP GUN quartets did make up for the apparent district apathy.

IDAHA 2008 is in the planning stage with an attempt to acquire the very best talent around our Society and the district to teach and coach. We are also searching for an international champions quartet to headline our school.

From the Chairman of the Historical Committee:

The Illinois District Historical Committee continues to flourish with contributions to our archives. Unfortunately, those contributions (historical...not financial) are few and far between. The committee is aggressively seeking photographs of chapter quartets and choruses; old show programs; old convention programs; old contest score sheets and old newspaper articles. By "old" we are referring to the decades of the '40's and '50's, but anything of historical significance would be accepted.

MINUTES OF IDEA TRUSTEES SEPTEMBER 30, 2006

I. President Jim Graham called the meeting to order at 11 p.m. following the fall chorus competition. Present at the meeting were Graham, Secretary Bob Cearnal, Treasurer Earl Holtz, and Trustees Wally Ryan and Bill Stock. Nick Caccamo attended as a guest.

II. Holtz moved, Stock seconded acceptance of the Spring 2006 minutes. Passed.

III. Caccamo presented his findings regarding his financial review of the IDEA Fund for the fiscal years ending December 31, 2005. In his words, Caccamo stated: "I believe that these financials depict an accurate presentation of the Fund's financial condition for the periods covered." Treasurer Holtz acknowledged that there is an additional \$26.11 to be added to the total available for disbursements, as recognized by Caccamo. Therefore, the amount available is \$7,582.67.

Holtz reported that all concerns have been cleared. Our investments appear to be reasonable, and he encouraged us to remain aggressive, noting that the fund had increased by an average of 6%, due to contributions and investment performances. The balance as of market close on 9/27/06 is approximately \$43,754, up from \$39,817.

Caccamo recommended that Holtz investigate investing some of our funds in a money market, which Holtz agreed to do. Caccamo also agreed to continue to review our financial records in 2007.

Cearnal moved, Stock seconded to receive the report. Passed.

IV. Old Business

A. Contributions for the year included \$1000 from Buzz Haeger, \$100 from Dave Cowin (both of which were announced by Cearnal at the morning's QCA breakfast), \$100

from Jim Graham, \$100 from Bill Stock, \$50 from Don Summers, \$235 from Lake County, and \$100 from Coles County--all of which accounting for \$1685 total for the year. Ryan agreed to send "thank you" cards to recent contributors. West Towns anticipated an excess of \$300 from quilt raffle ticket sales which they sponsored as hosts of the convention.

B. Stock has sent his article to "Attacks and Releases" regarding member contributions. Graham commended Stock and Cearnal for their announcements for emcees at the contest site.

C. In the past we have authorized \$500 for Harmony Explosion and up to \$500 for the district's Quartet Promotion Committee. To date, however, we have received no requests for either fund.

V. New Business

A. Election--Holtz moved, Stock seconded that Cearnal stay as IDEA secretary through 2011. Motion passed with one vote against (only kidding).

B. Cearnal moved, Ryan seconded (way to go, Wally!) to retain officers through their current terms. Passed.

VI. The next meeting will be held at the Spring Convention in April, 2007.

VII. Stock moved, Cearnal seconded adjournment at 11:50. Passed

Making a Difference

On behalf of the Society Board and staff I want to thank you for accepting the responsibility for helping to lead our members in the further enjoyment of our musical hobby. The pleasure we enjoy, and share, depends upon the effort of many men in leadership positions to help administer our chapters, districts, and Society. Your devotion of time, energy, and knowledge will help make us stronger as a Society and provide new and exciting opportunities for our members.

Membership

The aging of our membership and the loss in the total number of members has been a constant message in communications to our membership. With an average age of about 62, and declines in total membership each year for several years, these trends are not insignificant. If we dwell on negative messages, however, we also are likely to have negative results. I encourage each member, and certainly each chapter leader, to accentuate the positive in every aspect of chapter, district, and Society life. Let's focus on fun and let membership take care of itself. We joined the Society because we discovered within our chapters friends, fun, and fellowship. Let's renew our efforts to make each week's chapter meeting memorable to every man there and I believe we will see our membership numbers increase. It is easier to invite someone to visit a chapter when the invitee is comfortable that the visitor's experience will be positive. Let's think positive, let's be positive, and let's have fun. That is the beginning of a membership recruitment plan. The next step is to develop a deliberate plan for yourself personally and for your chapter on how to invite men to join you in fun and fellowship.

Mile High in Denver!

The Society's international convention will be held July 1-8 in Denver, CO, the Mile-High City. Come join thousands of other barbershoppers as we bounce chords off of the Rocky Mountains and hear the best our quartet and chorus competitors have to offer. Make this year's International convention a part of your family's summer vacation!

Society Headquarters update

The Society purchased a building that formerly housed McQuiddy Publishing in the heart of downtown Nashville, TN. I can personally attest from a recent visit that the building is truly as solid as a rock. The building will be totally renovated to provide office space for the Society staff, Harmony Foundation staff, and for an exciting new interactive museum that we are calling the Nashville Harmony Experience. You will learn more about the Experience in upcoming months. We hope to complete renovation by early August and move our operations in August and September 2007.

Better Computer System

Not all members are affected often by the Society's antiquated computer system, but many chapter and district leaders can attest to their frustration with the inability of our computer databases to combine information in meaningful ways. All that will change by March 2007 when our new computer software program, called Aptify, goes online. The next step will be to improve the look and utility of the Society website. Please bear with us as these needed changes are made. The long-term effect will improve the experience for all barbershoppers.

Harmony University

Harmony University, which combines Harmony College, Quartet College, and Directors College, will again be at Missouri Western State University in St. Joseph, Missouri. The dates are July 29 – August 5, 2007. For more information, check your Harmonizer, call 800-876-7464, or visit us online at www.barbershop.org.

Harmony Marketplace

The Society has hired a consultant to review our Marketplace operations and to provide recommendations of how we can make the Marketplace more efficient. We also will be polling our members to gather more information about what items they most want from the marketplace. Be sure to check out our current offerings at: www.harmonymarketplace.com.
